

SAFARI DIVE REGULATIONS

Safari boat:

Guide:

Safari Date:

Agent:

I declare that;

- I am aware of the risks in scuba diving and will abide by the international and local scuba diving safety standards
- I do not suffer from any ailment that can harm myself or the dive centre staff
- I will check out any rented diving equipment before diving assuring that it is in proper working condition. Any of my own diving equipment is reliable, has been adequately serviced and maintained and complies with its respective regulations
- I will never dive alone! I will always dive with a buddy who is a certified diver by any international recognised federation
- I will not exceed the maximum depth of 30 metres nor will I undertake any decompression dives
- I will always return tanks with a minimum pressure of minimum 50 bar otherwise I agree to pay € 10.00 service charge
- I will respect and obey the instructions given to me by the divemaster or instructor
- I agree that I will refrain from any drugs, alcohol or similar substances until I have terminated all daily diving activities including night dives
- I understand that Sharks Bay Diving Club does not take any responsibility for loss, damage or theft of my private equipment and belongings
- I am aware that South Sinai is a protected Nature Reserve area and I will abide by all laws enforcing this protection
- I will not fish, hunt, touch, disturb or remove any organism from the sea, dead or alive
